Pranav Jadhav

Frontend Web Developer | E-commerce

SUMMARY

Frontend Web Developer and E-commerce Specialist with 3+ years of experience building responsive, user-friendly web applications and scalable e-commerce solutions. Proficient in HTML5, CSS3, JavaScript, and Shopify (Liquid), with hands-on experience in developing high-converting online stores. Strong background in UI/UX design, performance optimization, and modern development tools. Passionate about delivering clean, efficient code and enhancing user experience.

WORK EXPERIENCE

Deccan AI

2025 - Present

- Collaborate on AI-driven solutions and tools to enhance business workflows
- Utilize modern AI platforms such as ChatGPT, Claude, and Google AI Studio for automation and productivity
